YARNIA, after six years at 4183 SE Division St. is moving into the newly-built retail space at 38th & Belmont. This one-of-a-kind store allows customers to design their own custom yarn blend and buy it by the pound. Yarnia is looking forward to keeping existing customers and letting a whole new neighborhood know about their unique yarn shop.

THE URBAN FARM STORE formerly on Belmont is moving to 3454 SE Powell. The roof collapsed during the winter's snowstorm. They carry animal feed and supplies, pet food, gardening tools, gifts and apparel.

Volunteers Needed for SOLVE IT

Every April the world celebrates Earth Day. While many in our own communities want to help, they are unsure of what they can do. SOLVE, the state wide environmental non-profit, is calling for volunteers to participate in the annual SOLVE IT for Earth Day event on April 26, from 9 am to 1 pm.

Volunteers can find local project details and opportunities to get involved at www.solveoregon.org or by calling SOLVE at 503.844.9571, extension 321.
